

## *Uttarakhand Technical University*

### 1. Technology Day

University on 11<sup>th</sup> May 2017 organized a workshop on “**India-Today and Tomorrow, Role of Technology**” on the occasion of Technology Day. The Vice-Chancellor, Prof. P.K Garg welcomed the Chief Guest, Prof. N.S Vyas, and Chairman Technology Mission for Indian Railways, Govt of India and Ex-Vice Chancellor, Rajasthan Technical University, Kota. Prof. Gopal Ranjan, Ex-Vice Chancellor, University of Roorkee and Shri Prajatantra Gangele, State Org. Secy, Vigyan Bharti, Uttarakhand shared their views and experience with the audience.

In the workshop, Dr Durgesh Pant, Director, USAC, USERC, UOU, Dehradun delivered an expert talk on **Use of ICT**, Dr Ashwani Kumar, IFS, EX-DG, ICFRE Dehradun delivered an expert talk on **Role of Future Technology for Development of India** and Prof. Ashiv Shah, from Ajay Kumar Garg Engg College, Ghaziabad delivered an expert talk on **Reshaping workforce through Automation and Robotics**. Very large number of students participated in the workshop showed an exhibition of technical models also.

On the occasion, Shri. J. P Tomar, Finance Controller, Shri. S.P Rawat, Deputy Registrar, Smt. Shabali Gurung, Asstt. Sports Director, Shri. G.S Bisht, Deputy Controller of Examination, Shri. Arun Sharma, Asstt. Deputy Controller of

Examination and University staff along with students from various affiliated and constituent colleges were present.

### 2. BOG meeting

On 24<sup>th</sup> May 2017, the Board of Governance meeting of Pauri was held at Uttarakhand Secretariat. Vice-Chancellor, Prof. P.K Garg also participated on the meeting. The meeting was chaired by Shri. Trivendra Singh Rawat ji, Hon'ble Chief Minister of Uttarakhand.

### 3. Internal Conference on Computation and Automation

Prof P.K. Garg attended an as Chief Guest at Galgotia University, Greater Noida on May 5, 2017.

He delivered an Inaugural talk and emphasized the role of science and technology in computation (like quantum computers, wi-fi connectivity to whole world through small satellites, health monitoring through micro-chips) and automation (in Industry and at home). He mentioned some of the future research areas to young scholars, like cloud

computing, nano-computing, micro-chips, and stressed on the need of developing affordable technology.

#### 4. Seminar on Government and Governance

Prof P K Garg was invited as Chief Guest in a Seminar on Government and Governance on May 25, 2017, at IAS Academy (PRYAS).

He interacted with the students preparing for IAS, and talked about the role of Government and Governance in reference to education sector. Mr Arun Sharma of UTU was also present.

#### 5. Solar Energy based Street light

In April-May month, the University successfully commenced of Solar Energy based Street Light project at Uttarakhand Technical University campus. University installed 50 solar street lights in the University premises.

This is leading step to encourage the use of renewable energy sources in the Campus with the supporting hand of UREDA.

All solar street lights were assembled and installed in the campus under the sharp observations of Ms Sunita Chandel, Faculty Electrical Engg, WIT, Dehradun and Shree Guru Prasad Dhyani, UTU.

During this project, Ms Sunita Chandel delivered the important tips, and gave awareness regarding stand alone solar power plant to the students of Women Institute of Technology and M-Tech Students. She introduced energy conservation techniques. This project is successfully completed by project coordinator Ms Sunita Chandel under the guidance of Hon'ble Vice Chancellor Prof. P K Garg.

#### 6. Congratulations

Recently CII (2016) has published a document **Glimpses of Research Productivity of Indian Universities and Research Institutions - A Report based on "Indian Citation Index" Database 2016** where Rank Order of Top 100 Authors of IITs: Based on Number of Articles, Citations and Citations/Paper is listed. Our Hon'ble VC, Prof P.K. Garg also appeared at Sl. No. 42. Also IIT wise Number of Authors in Top 100 Author's of IITs, he is at Sl.No.4 in IIT Roorkee list. The Uttarakhand Technical University, Dehradun is expected to take a jump in R&D activities, the way Prof Garg is taking pains to improve PhD programme of the University, and continuously interacting with the PhD scholars and Faculty, and motivating them for research.

#### 7. Successful Completion of UKSEE 2017

University on 13<sup>th</sup> and 14<sup>th</sup> May 2017 successfully conducted the Uttarakhand State Entrance Exam (UKSEE-2017) at the following examination centre. Dehradun, Dwarahat, Gopeshwer, Haldwani, New Tehri, Pithoragarh, Roorkee and Srinagar.

The online exams were a great success, and many students appreciated this move of the University (from offline to online exams system).

## 8. Tech Expo-2017

Maya Institute of Technology and Management, Dehradun organized a Tech Expo-2017. Hon'ble Vice-Chancellor, Prof. P.K Garg joined the occasion as Chief Guest on 1<sup>st</sup> May 2017.

## 9. International Conference on Computing, Communication and Automation (ICCCA2017)

School of Computing Science and Engineering, Galgotias University organized, International Conference on Computing, Communication and Automation (ICCCA2017) on 5<sup>th</sup> and 6<sup>th</sup> May 2017. Hon'ble Vice-Chancellor, Prof. P.K Garg graced the occasion as Chief Guest and added value to the conference by delivering an expert talk.

## 10. Admissions in Ph.D

For admission to academic Session 2017-18, Uttarakhand Technical University, Dehradun invites online application form for admission in Ph.D. program from the interested candidates in various disciplines. There will be an Online Entrance Test for the candidates for Ph.D. admission, however, as per UGC 2009 guidelines GATE/NET/GPAT and any other such examination qualified candidates are exempted from the entrance examination, but candidates are compulsory require to fill up online application form as per the University norms.

The last date of submission for online application form is 12<sup>th</sup> June, 2017. For detailed information, visit University website <http://phd.uktech.ac.in/>

## 11. Research Methodology and Faculty Development Programme

University invites the online application form for Research Methodology course. Research Methodology course is compulsory for all PhD scholars to attend and pass.

A Faculty Development programme on Free and Open Source Software (FOSS) is to be organized by the University from July 3 to 10, 2017 for faculty of various colleges and institutes. The knowledge of FOSS is essential today, as very large number of software are available in free domain which students and research scholar can use for their work.

The details of above are available on University website <http://phd.uktech.ac.in/>

## 12. MoU signed with IFCAI University on 26 May 2017 for Academic Collaboration

## 13. Ph.D Viva Voce held

The University conducted sixteen Ph.D viva-voce exams in the month of May in Biotechnology, Chemistry, Electronics and Communication Engineering, Electrical Engineering, English, Management, Mathematics and Pharmacy in May 2017. The viva voce exams of Mahavir Singh Naruka, Kiran Srivastava, Simarjeet Makkar, Seema Gupta, Priti Vyas, Ritu Singh, Pooja Singh, Kalpana Pawar, Rudra Pratap Singh Chauhan, Shailendra Mani Mishra, Rakesh Chandra Bhadula, Amrendra Kumar Chaudhary, Ravindra Singh Tomar, Abhishek Bhardwaj, Amit Saxena and Rajesh Kumar Tiwari, which were successfully completed.

*(Hearty Congratulations to all candidates for successful completion of their PhD program).*

## Forthcoming Events

1. Ph.D Entrance Examination 2017, last date of registration is 12<sup>th</sup> June 2017.
2. Faculty Development Programme on Free and Open Source Software (FOSS), last date of registration is 21<sup>st</sup> June 2017.

3. Research Methodology for Ph.D Scholars, last date of registration 28<sup>th</sup> June 2017.
4. B.Tech Online Counseling commencing from 26<sup>th</sup> June 2017

## *SIHMCT & AN*

### 1. External Exams

The external exams were held in the Institute from 18<sup>th</sup> May to 03<sup>rd</sup> June 2017 as per the University schedule. The exams were arranged peacefully under the supervision of Dr. Yashpal Negi (Director). The exams were conducted in the rooms equipped with CCTV cameras, as directed by the Uttarakhand Technical University (UTU).

### 2. Industrial Training

The Institute arranged six months Industrial Training / Internship of the students in star hotels like Taj, Novotel, and Ramada. Telephonic interviews were conducted from the star hotels in co-ordination with the respective Human Resource Managers of the hotels, and students were short listed on the basis of their interviews. The Internship was arranged by the never ending efforts of the Training Co-ordinator Mr. Abhishek Chauhan. The Internship/ Industrial Training of the 2<sup>nd</sup> year students would start from 15<sup>th</sup> June 2017 tentatively. The Institute wishes the students a very good luck for their forthcoming Industrial Training so that they can achieve a successful career in the Hospitality Arena.

### 3. Cleaning Campaign

A cleaning campaign was organized within the Institute premises on 20<sup>th</sup> May 2017 as per the direction given by the Hon'ble District magistrate of Tehri Garhwal.

The supporting staff of the Institute including all Lab Attendants cleaned the campus and vowed to keep the premises clean forever. It has been directed by the D.M to clean the campus of all the departments on every Saturday of the month.

### 4. Inspection of Asian Development Bank And Tourism Department

On 18<sup>th</sup> May 2017, a team of ADB (Asian Development Bank) and Tourism Department visited the Institute to check the status of construction of building. There were at-least 15 members in the team and they inspected and supervised the Institute's building as well the hostel which is under construction. The team promised the Institute authority to increase the speed of construction so that the infrastructure of the Institute could be improved for the future.

## *Amrapali Group of Institutes*

### 1. Workshop on "Advanced Responsive Web Programming with JSON"

To imagine a world without technology brings a stagnant impression on our face. As food is to life, so is technology to existence. Elucidating the importance of technology in the current era, Faculty of Computer science and application, Amrapali Group of Institutes, under the kind guidance of Prof (Dr.) M. K. Pandey, organized a workshop on Advanced Responsive Web Programming with JSON on May 5, 2017.

The workshop was thought out to provide a platform for the students of technical background to materialize their skills with the assistance of our expert mentors Dr Nitin Deepak, Dr Naveen Tiwari, Mr. Mukesh Joshi.

The event resulted into a great success with the participation of more than 100 students from the following colleges, S S J Campus, Almora, M B P G College, Haldwani, Jai Arihant College, Haldwani, Govt. Polytechnic ,Kashipur, C T P G College, Kashipur, Pal College of Technology Haldwani, Surajmal college of Engineering and Management, Kichha.

The workshop was inaugurated with a great fervor, followed by auspicious lamp lighting ceremony facilitated by the representatives of different participating colleges. Release of workshop study material was facilitated by the dignitaries, Vice Chairman Mr. R.C. Monga, C.E.O Dr. Sanjay Dhingra, Secretary Mr. Narendra Dhingra, Registrar Dr. P.K.Shah and the directors of all the institutes of Amrapali Group. The entire program was divided into four different sections which are as follows:

## **GitHUB** (Dr. Nitin Deepak, Dr. Naveen Tewari)

GitHub is a web-based Git or version control repository and Internet hosting service. It offers all of the distributed version control and source code management functionality of Git as well as adding its own features.

## **Bootstrap** (Dr. Naveen Tewari)

Bootstrap is a free and open-source front-end web framework for designing websites and web applications. It contains HTML- and CSS-based design templates for typography, forms, buttons, navigation and other interface components, as well as optional JavaScript extensions. Unlike many web frameworks, it concerns itself with front-end development only.

## **MVC** (Dr. Nitin Deepak)

The Model-View-Controller (MVC) is an architectural pattern that separates an application into three main logical components: the model, the view, and the controller. Each of these components is built to handle specific development aspects of an application. MVC is one of the most frequently used industry-standard web development frameworks to create scalable and extensible projects.

## **MySQL** (Mr. Mukesh Joshi)

MySQL is the world's most popular open source database. With its proven performance, reliability, and ease-to-use, MySQL has become the leading database choice for web-based applications, used by high profile web properties including Facebook, Twitter, YouTube etc.

## **JSON** (Dr. Nitin Deepak)

JSON (JavaScript Object Notation) is a lightweight data-interchange format. It is easy for humans to read and write. It is easy for machines to parse and generate. It is based on a subset of the JavaScript Programming Language.

## **Codeigniter** (Dr. Nitin Deepak, Dr. Naveen Tewari)

CodeIgniter is a powerful PHP framework with a very small footprint, built for developers who need a simple and elegant toolkit to create full-featured web applications. CodeIgniter was created by EllisLab, and is now a project of the British Columbia Institute of Technology.

Towards the accomplishment of the programme, event coordinator Prof.(Dr) M K Sharma, extended the vote of thanks to all the dignitaries, guests, participating students and the core organizing committee, for making the event a great achievement, along with the distribution of certificates .

## **2. Farewell of BHMCT Final Year Students**

Students Farewell 2017 saw another grand celebration when they were bid adieu to set foot into the professional world.

The word 'Aloha' has taken place of every English equivalent as time has reaped the seeds of hard work. The proverb, 'Time is the best flier' befitted this celebration as it just seemed like yesterday the students joined the institution with dreams, to become successful hotelier and now it's time to say goodbye. The somewhat emotional affair of Farewell for final year students was full of fun, sharing of memories and gratitude.

A complete flash back of the college life in the past four years began with an introductory note by the COO Dr. S.K. Singh wishing the students a good life ahead followed by the best wishes by Dean Academics Mr. Prashant Sharma. The successive events were marked with music, singing, dancing and cherishing old memories while relinquishing tasty snacks. The grand cake cutting ceremony made it perhaps the last cherishing memory to behold and carry to the professional world. We wish all the final year students great success in life.

### 3. New faculty members

AIHM welcomed all the new members to the AIHM family. It has been a tradition in the AIHM that best of the pearls are collected from the ocean of talent and beaded in to a string of pearls. We anticipate that the new members will be an asset to the organization and will pool in their efforts to help AIHM achieve its objectives.

All the members have rich experience in their respective fields and will be valuable in terms of their support to the organization.

#### *Shriram Institute of Management & Technology*

#### 1. National Technology Day

At Shriram Institute of Management and Technology, Kashipur, the event 'National Technology Day 2017' was celebrated on 11<sup>th</sup> May 2017 by President Mr Ravindra Kumar, Director Dr Yograj Singh, Principal Dr S S Khushwaha, other staff members & students with great enthusiasm.

The Function begun with an information congregation about the celebration of this day which was to be done by Director Dr Yograj Singh. He said that technology has now been a part of our life. As the period passes by, the technology becomes wider & user friendly. He also said that every person must get the knowledge about how to operate technology whether in Mobiles, Smart TVs & Glass Technology. The video related with future tech had also been presented during this session where he told about technology innovation and how can we use it.

#### 2. Students got summer internship in Birla Sunlife Co. Ltd, Delhi

The six students of MBA – 2<sup>nd</sup> Semester in Shriram Institute of Management & Technology, Kashipur have got placed in Birla Sunlife Co. Ltd; Delhi for their summer internship purpose. The students [clockwise] – Kailash, Prince, Nimisha, Shalini, Deepika & Bhawna will do the trainings in Finance & Marketing profile. On this propitious selection, President Mr Ravindra Kumar, Director Dr Yograj Singh & Principal Dr S S Khushwaha had given blessings to the students and motivate them to work with honesty and responsibility. The successful arrangement of this interview has been done by Placement Officer – Dr. Mudit Saxena.

#### *Maya Group of Colleges*

#### 1. IMA Organized Blood Donation Camp

IMA Dehradun organized one day blood donation camp at Maya Group of Colleges. This camp has been organized to

make students aware about the blood donation camp where students and faculties have donated 80 units of blood. College Chairman inaugurated this camp.

At this moment, he said donating blood is a precious and noble cause and one drop of blood can save the life of a person in need, Whereas the person who is donating the blood may also remains fit. He also said people should have their own interest in donating blood and they can motivate others to do so. There is no harm in donating blood. Two days before, the management of the college organized an awareness camp about this blood camp for all the faculty and staff members to give their contribution. IMA appreciated the college for their contribution. College Chairman Dr. M.L. Juyal and Vice Chairman Dr. Ashish Semwal encouraged students for donating the blood. M.D Mrs Tripti Semwal, Secretary Mr. Saurav Juyal and Director Engg. Prof. (Dr.) Parul Goyal were present at this blood donation camp.

## 2. Tech-Expo-2017

The two day Tech Expo completed successfully in Maya Group of Colleges. The Chief Guest for the second day was Prof. P.K. Garg, Hon'ble Vice Chancellor of UTU. He appreciated the models prepared by the students and added that practical knowledge is a must tool for students. He then added that every day new research and inventions are coming up, and youth are required to do some useful researchers and inventions. Students presented various models such as design of multi story building, overall water tank, flood flyover, Hydropower plant and many more models were displayed by them. Students were suggested to focus more on practical knowledge.

Students presented different other models, like Maya Android System, E-Uttarakhand, College Management System, Hostel Management System, Online Exam, Shop Locator, Online Marketing, Cycle Grass Cutting Machine, Robotics Model, Whether Forecast System, Risk Reduction Device, Musical

Library, Routing Protocol, Rotating Building Model, Hydraulic Bridge Model, Tree Planting, Multi-working Robot, Bio-Gas Plant, Solar Car, Automatic Turbine System, Rejection System and many more. Working Projects like Smart Solar Charger, Solar Mobile Charger had also shown at this Tech-Expo.

Software prepared by the students showed great interest in which creativity and programming skills of students was excellent. Hon'ble Vice Chancellor Prof P.K Garg appreciated the models prepared by the students and emphasized that the technological models prepared by the students link both theoretical as well as the practical knowledge.

College Chairman M.L. Juyal, Vice Chairman Dr. Ashish Semwal, M.D. Tripti Semwal, Secretary Saurabh Juyal, were present at the event. Vice Chairman Dr. Ashish Semwal congratulated students for the model presentation and wishes students for their bright future. Director Engineering Prof. (Dr.) Parul Goyal presented the vote of thanks.

### 3. Workshop on Soft Skills Development

“Technical skill may get you the job but soft skill can make you or break you as a manager” with these lines the one day workshop on soft skill development was started In Maya Group of Colleges on 08-05-2017 by Dr. Kavita Tyagi who is Associate Professor in Department of English and Other Foreign Languages, Dr. Shakuntala Mishra National Rehabilitation Centre, Lucknow.

The motive of the Workshop was to create emphasis on application and use of different soft development skills among the students, Faculties and Staff in industries and other academic institution as per the recent demands of various employers in industries and institutions. She also insisted that these skills are not only for the technical or any respective group of learners but everyone can use it in their own way. Students and faculties found the workshop very useful and enthusiastically participated in it. Chairman of Maya Group of Colleges Shri M. L. Juyal appreciated the workshop for being informative. Vice Chairman Dr. Ashish Semwal, Secretary Shri Saurabh Juyal, M.D. Smt. Tripti Juyal Semwal and Director Engg. Prof. (Dr.) Parul Goyal were also present throughout the event. Director Engineering Prof. (Dr.) Parul Goyal presented the vote of thanks.

### 4. Workshop conducted by Dr. Sylvie Rodgers

It was a historic day for Maya Group of Colleges because Dr. **SYLVIE RODGERS** a famous well known Celebrity hair stylist who had assisted various famous Bollywood actors in film industry conducted a Personality Development Program for students, faculty and staff.

The students and staff were very excited about the workshop. The basic motive of the workshop was to provide important tips to the students to groom their personalities so that they can enhance their job skills for the modern market. All the students and faculty appreciated the workshop. She was welcomed by Ms. Tripti Juyal Semwal (M.D.), staff and students. Chairman Mr. M.L. Juyal said the workshop as very motivational and fruitful. Vice Chairman Dr. Ashish Semwal, Secretary Saurabh Juyal, Director Engineering Prof. (Dr.) Parul Goyal were also present in the workshop.

### *Tula's Institute*

Tulas Institute ranked No.1 Private Engineering College of Uttarakhand & 39th in India by Times of India on 19<sup>th</sup> May 2017, consecutive for 2nd time.

### *J.B Institute of Technology*

#### 1. Annual Technical Festival -Srijan 2017

The Institute hosted its 8<sup>th</sup> Annual Technical Festival- Srijan-2017 on May 03. Students from different departments presented 75+ technical projects and self made working models based on latest innovative ideas. In addition to the project exhibition, 58 other technical events were also organized for the students to provide a platform to reciprocate the insatiable desire to innovate.

Hon'ble VC, Prof. P.K. Garg inaugurated the technical festival as Chief Guest. He interacted with the students and urged on the need of promotion of more research and development at the level of the students and faculty. He also appreciated the efforts of the institute towards providing good platform to the students for academics, extra-curricular activities as well as the placements.

A panel of renowned technical experts from the Industry and Academia judged the projects on various parameters. Mr. Vijendra Chauhan, CEO, Evon Technologies, Mr. Ashok Kumar Rathi, Traceable engineering Pvt. Ltd, Gurgaon, Mr. Arun Prakash, Retd, Sr. engineer, Department of Irrigation, Govt. Of Uttarakhand, Mr. Deepak Kumar, Operation Manager, IndiaMart Intermesh Pvt. Ltd, Dehradun, Dr. Ajit Kumar, Department of Civil Engineering, GB Pant University of Agriculture and Technology, Pantnagar, Dr. S.D. Samantray, HOD (CSE), GB Pant University of Agriculture and Technology, Pantnagar, Dr. Inderdeep Singh, Department of Mechanical Engineering, Indian Institute of Technology, Roorkee were the main members of the panel. Chairman Mr. L.D. Singhal, Vice Chairman Mr. Sandeep Singhal, Secretary Mr. Rajat Singhal, Director Dr. Amit Kumar Bansal, Joint Director and Dean (Academics) Mr. Pankaj Chaudhary, Dr. M.S. Kaurav- Joint Director (Admin), all HODs and faculty members were present during the fest.

## 2. Annual Cultural Festival

Annual cultural festival was organised for the students. In the cultural festival, hundreds of the students from different departments participated in various group songs, group dances, folks songs and dances, solo singing and collage making, nukkad natak etc.

Mr. Ajay Bhatt- State president of BJP Uttarakhand was the Chief Guest of the cultural festival. During his address to the students, he appreciated the efforts of the students and urged on the need of strong national integration in spite of cultural diversity and customs in different states. A series of folk songs showing cultural of different states was one of the major attractions of the event. Chairman Mr. L.D. Singhal, Vice Chairman Mr. Sandeep Singhal, Secretary Mr. Rajat Singhal, Director Dr. Amit Kumar Bansal, Joint Director and Dean (Academics) Mr. Pankaj Chaudhary, Dr. M.S. Kaurav- Joint Director (Admin), all HODs and faculty members were present in the cultural festival.

## 3. Celebrity Eve by Bollywood Singer-“Tulsi Kumar”

Famous Bollywood Singer “Tulsi Kumar” from T-Series hosted the live concert at the Institute on May 04. Students enjoyed a lot during her live show. “Gulabi Ankhe..., Mera Highway..., Saregama pa... Sanan Re..., Mere Papa... etc” were the major among her nice performances. She thanked to the JBIT and Dehradun for providing such a lovely concert and lovely audience.

At the end of the concert, several students also danced with her during the flash mob event and won several gifts during talent search activities. Chairman Mr. L.D. Singhal, Vice Chairman Mr. Sandeep Singhal, Secretary Mr. Rajat Singhal, Director Dr. Amit Kumar Bansal, Joint Director and Dean (Academics) Mr. Pankaj Chaudhary, Dr. M.S. Kaurav- Joint Director (Admin), all HODs and faculty members were present during the concert.

## 4. Farewell party

Pre-final year students hosted a grand farewell party on 05.05.17 for passing out batch-2017. A series of cultural programs and games were organised by the students, where final year students also shared their best experiences spend in last 4 years in college.

Mr. Subhdh Uniyal, Cabinet Minister (Agriculture and Horticulture), Govt. of Uttarakhand was the Chief Guest of the

celebration, He wished the best future for all the passing out students and urged them to use their technical knowledge in growth and development of the state as well as in improving living standards of common mass. All enjoyed a lot the farewell party, and promised to be a good citizen of the country in addition to successful technocrats.

Chairman Mr. L.D. Singhal, Vice Chairman Mr. Sandeep Singhal, Secretary Mr. Rajat Singhal, Director Dr. Amit Kumar Bansal, Joint Director and Dean (Academics) Mr. Pankaj Chaudhary, Dr. M.S. Kaurav- Joint Director (Admin), All HODs and faculty members were present in the party.

## 5. Students selected by Experis IT Pvt. Ltd, New Delhi

An Open Pool Campus placement drive was organised at JBIT for B. Tech (CS/EC) students on May 16 by reputed multinational company Experis IT Pvt. Ltd, New Delhi. A total of 216 students from 6 Different colleges of Uttarakhand appeared in this campus drive with full enthusiasm. After several rounds, a total of 19 students were finally shortlisted. All students were highly excited on getting the start of their career with such a big brand.

Chairman Mr. L.D. Singhal, Vice Chairman Mr. Sandeep Singhal, Secretary Mr. Rajat Singhal, Director Dr. Amit Kumar Bansal, Joint Director and Dean (Academics) Mr. Pankaj Chaudhary, Dr. M.S. Kaurav- Joint Director (Admin), Head-T&P Cell- Mr. Manoj Chaudhary, Mr. Jitesh Dhankar, Mr. Santosh Mishra, Mr. Manish Sharma- HOD (CS) were present in the campus drive.

## 6. Students from B.Tech (ME) selected by Bomrah Industries Ltd, New Delhi

A solo campus placement drive was organised at JBIT for B.Tech (ME) students on May 18 by reputed multinational company Bomrah Industries Ltd, New Delhi. After several rounds, a total of 8 students of B.Tech (ME) were finally selected as Graduate Engineer Trainees-(Quality/Production). All selected students were highly excited on getting the start of their career with such a big brand.

Chairman Mr. L.D. Singhal, Vice Chairman Mr. Sandeep Singhal, Secretary Mr. Rajat Singhal, Director Dr. Amit Kumar Bansal, Joint Director and Dean (Academics) Mr. Pankaj Chaudhary, Dr. M.S. Kaurav- Joint Director (Admin), Head-T&P Cell- Mr. Manoj Chaudhary, Mr. Jitesh Dhankar, Mr. Santosh Mishra and Mr. Punit Kumar- HOD (ME) were present in the campus drive.

## Roorkee Institute of Technology

### 1. Project Exhibition

On 16<sup>th</sup> May 16, 2017, Technocrats of Roorkee Institute of Technology put up their Technical exhibits in exhibition.

The exhibition was inaugurated by Management Trustee Mr. Naman Bansal and Mr. Yash Agarwal This exhibition contained 23 projects in all, represented by Mechanical, ECE, CSE, and Civil engineering departments. The panel of Judges comprised of Prof. Ashok Mathur, Earthquake Engg Deptt, Dr.

S.C. Gupta ECE Deptt, Dr. Rajesh Chandra of Architecture Deptt, and Dr. Mohan Lal Computer Science Deptt, Indian Institute of Technology, Roorkee.

Management Trustee Mr. Naman Bansal and Mr. Yash Agarwal lauded the technical skill and creative ideas of the presenters. The learned Professors of Indian Institute of Technology Roorkee were highly impressed by the creative thinking, usefulness, attractive presentation and less expensive exhibits and enthused the presenters with a pat on their backs. The winner of first place carried cash prize of Rs. 51000/- 2<sup>nd</sup> prize Rs. 31000/- and 3<sup>rd</sup> prize Rs. 21000/- Director Dr. Prarag Jain complimented the presenters for their wonderful exhibits and asked them to use their creative talent in future too.

At the end, Prof Mathur Director General, thanked the learned Professors for their cooperation. The programme was attended by Dr. Parag Jain Director, Dr. Amit Tanwar Dean, and Heads of Departments of the Institute and other Professors and Students.
