Registrar, Shri. S.P Rawat, Asst. Sports Director, Smt. Shabali Gurung and employee from establishment, sports department were also present.

## 9. Faculty Development Programme

Uttarakhand Technical University organized a faculty development program on 24<sup>th</sup> and 25<sup>th</sup> June 2017 at University auditorium. This program aimed at developing the research skills of the faculty members, and is specially designed for faculty members of management and technical department.

The eminent speakers from various reputed institutions graced the occasion, Hon'ble Vice Chancellor, Prof. PK Garg presented certificate to the participants.

## 10. Ph.D Viva Voce held

The University conducted twelve Ph.D viva-voce exams in the month of June in Biotechnology, Electronics and Communication Engineering, Management, Mechanical Engineering and Pharmacy in June 2017. The viva voce exams of Monika Bhatnagar, Anju Thapliyal, Pardeep Sangwan, Amit Malhotra, Prabhat Kumar Raghuvanshi, Naveen Dwivedi, Amit Kumar Thakur, Mahesh Kumar Agarwal, Deepak Bansal, Sameeksha Jain, Juhi Garg and Mohd Yasir were successfully completed.

*(Hearty Congratulations to all candidates for successful completion of their PhD program).*

## 11. B.Tech Online Counselling

The counselling for admission in B.Tech course of various affiliated and constituent colleges of University is started from 26<sup>th</sup> June 2017. For details visit: <http://ukcounseling.nic.in/>

## *Forthcoming Events*

1. UKSEE Counseling 2017 starting from 1<sup>st</sup> July 2017  
([http://uktech.ac.in/wp-content/uploads/2017/06/UKSEE\\_2017\\_Counseling\\_Schedule\\_1.pdf](http://uktech.ac.in/wp-content/uploads/2017/06/UKSEE_2017_Counseling_Schedule_1.pdf))

### **THDC Institute of Hydropower Engineering and Technology**

#### **1. NCECIC 2017**

The Institute organized its 2<sup>nd</sup> National Conference on Energy, Communication and Intelligence Computing” (NCECIC 2017) on 3rd and 4th June, 2017.

NCECIC focuses on recent advances in the field of communication, computing and control systems. It aims to provide an opportune forum and vibrant platform for researchers, academicians, Scientists and industrial practitioners to share their original research work, findings and practical development experiences. The proceedings will be published in the various internationally renowned journal series.

The general motive of the conference is to promote international collaboration in education and Research in all fields and disciplines of engineering. NCECIC -2017 is a forum for those who wish to present their projects and innovation. In the conference, 85 research papers have been published in International Journals.

We are obliged to our Director (THDC-IHET) Prof. G.S. Tomar, for his confidence which they have invested on us for organizing this conference.

#### **2. International Yoga Day**

THDC-IHET family celebrated International Yoga Day in the campus. Director Prof. G S Tomar along with faculty and staff participated in the event by performing Yoga and

meditation. It was a refreshing and rejuvenating experience for the participants.

#### **3. Manthan**

On completing 100 days of establishment of BJP led State Govt., in Uttarakhand, a Programme, named “Manthan” was organized by the State Govt. in the CM residence at Cantt., Dehradun on 25 June.

The theme of the programme was to encourage the students of various state govt. colleges to present their ideas on various social welfare schemes that are currently being run by the central govt. and to deliberate that in what capacity can they be run in Uttarakhand.

The teams of various colleges were given a specified scheme and they were asked to present their ideas with the help of a power point presentation. The topics were “Swachh Bharat”, “Digital India”, “Beti Bachao, Beti Padhao”, “Skill India” etc. The institute was given the topic

of “Digital India” and the student team very well presented the theme in front of the dignitaries comprising of His Excellency Mr. Trivendra Singh Rawat, CM of Uttarakhand Govt., Mr. Satpal Mahraj, Cabinet Minister, Uttarakhand Govt., Mr. Omprakash, Chief Secretary, Uttarakhand Govt. and others. The team was successful in securing third position and was awarded a cash prize of Rs.15000/-.

## ***SIHMCT & AN***

### **1. Industrial Exposure Training**

The Institute arranged the six months Industrial Training / Internship of the students in star hotels like Taj, Novotel, and Ramada. Industrial Training started from 15<sup>th</sup> June 2017 till 30<sup>th</sup> November 2017. The students reported to their respective hotel on respective dates and started to learn the practical aspects of Hospitality Management. The students will undergo Industrial Training from all the major core departments of the hotel viz. Front Office, Food and Beverage Service, Food Production and House Keeping Department. The students can even undergo Training from the supporting departments of the hotel like Human Resource, Stores etc if allotted by the respective Human Resource Managers of the concerned hotels. The Institute wishes the students good luck for their Industrial Training.

An evaluation committee was held for the Assistant Professors of the Institute at the new campus of the University on the 04<sup>th</sup> June 2017. A PBAS (Performance based Appraisal system) was used to renew the contract and extend the services of the Assistant Professors for the session 2017-18.

The panel was headed by Hon'ble Vice Chancellor, UTU, Prof. P.K.Garg and the other members comprised of two subject experts – Mr. Ravi Prakash, Principal, IHM Delhi and Dr. Ashish Dahiya, Director, MDU, Rohtak. The Vice Chairman of the panel was the Director of UTDB (Uttarakhand Tourism Development Board) Mr. Narendar

Singh Quiryal, Dr. Yashpal Singh Negi was also in the panel to review and assess the performance of the Assistant Professors of the Institute during the academic year 2016-17.

Similarly for the Non-teaching staff an evaluation committee was framed under the chairmanship of Dr. Yashpal Singh Negi, Director, SIHMCT & AN, New Tehri and Assistant Professors Mr. Pradeep Negi, Mr. Kuldeep Singh and Mr. Abhishek Chauhan. The Lab Attendants and other non teaching staff were judged on the basis of cooking capabilities, service capabilities, typing and drafting and other aspects of judgement. The performance was found to be satisfactory by the panel headed by Dr. Yashpal Singh Negi.

### **3. Interviews conducted for Assistant Professors**

Interviews were conducted for the posts of Assistant Professors at the new campus of the Uttarakhand Technical University on 22<sup>nd</sup> May 2017. A Panel was framed under the Chairmanship of Hon'ble Vice Chairman, UTU Dr. P.K.Garg. New faculty were selected.

## ***Amrapali Group of Institutes***

### **1. Admissions**

Another year rolls by and once again there is a huge expectation mounting from the crowd of students wanting to get enrolled in the fall summer session at the reputed Amrapali Group of Institutes that takes knowledge as a flight to touch the sky.

The month of May once again buzzes with innumerable students patiently waiting in queues to enter the premises of Amrapali with lots of hopes and aspirations to become successful professionals. A word of mouth confirmed in the form of success stories of the institution in the past years seemed to be enough to boost the enthusiasm of the youth towards their march to gain education through this reputed

institute. It is indeed a time of making tough decision for the management yet the work of selection via proper nomination procedure goes on as the wannabe faculty work their way out to make many future safe and secure within the realms of the country and abroad with the driving force that 'Knowledge has no dearth of job'.

## 2. Training Program

Training programs beyond the course schedule play a crucial role towards technical and personality development of a student. Elucidating the importance of technology in the current era, Faculty of Computer Science and Applications, Amrapali group of Institutes, organized training programs for the students of Computer Science and Applications in the month of May-June, 2017 to equip them with advanced technologies, required in the Software Industry.

The training was thought out, to provide a platform for the students of technical background to materialize their skills with the assistance of our expert mentors Dr Nitin Deepak, Mr. Mukesh Kumar Joshi and Mr A.B.Khare.

The training program was consists of two modules "Advanced Office Automation" and "PHP & MySQL" each one is of forty hours duration.

### **Advance Office Automation** (Mentor Mr. A.B.Khare)

Training program of 'Advance Office Automation' organized for the students of Computer Science. As the computer operation field demands the use of a variety of office operations such as Word Processing, Accounting etc. The program aimed at developing skills to handle Office Operations efficiently and effectively at the work place. Students worked on M.S. Word, M.S. Excel and Powerpoint features like Mail Merge, Text Editing, Slide Presentation, Macro's, Pivot Tables etc.

**PHP and My SQL** (Mentors Dr. Nitin Deepak & Mr. Mukesh Kr. Joshi)

Training Program on ' PHP and My-SQL' organized to inculcate the students mind with the evolving technologies in practical. Its motive was to lay the basic concept of 3 tier architecture where they can learn to develop front end as well as back end applications and as a result a complete application in whole.

The training was started with **PHP** (recursive acronym for **PHP**: Hypertext Preprocessor), a widely-used **open source** general-purpose scripting language that is especially suited for web development and can be embedded into HTML. The backend tool taken was MySQL, which is a RDBMS used to manage and organize data in the form of database, relation, tables out of which with the help of user designed queries, data can be retrieved efficiently.

Towards the accomplishment of the training a test was organized to evaluate the understanding and efficiency of the participants, Director Prof. (Dr) M K Pandey, extended the vote of thanks to all the dignitaries, participating students the core organizing committee, for making the event a great achievement, along with the distribution of certificates .

### **Gyani Inder Singh Institute of Professional Studies**

1. Nouveau Medicament Ltd have visited in our institute for campus placement Asloop Rana Manager conducted the Interview. Six students were selected Pankaj Singh Khanka, Kiran Bhatt, Ayush Barthwal, Sanjeev prakash, Mohd Afsar, Ashish Negi.

### **Maya Group of Colleges**

#### **1. Farewell -2017**

Maya Institute of Technology and Management organized farewell party on 1<sup>st</sup> June 2017 in the college campus, where students of B.Tech third year bid farewell to the outgoing students of B.Tech final year with great enthusiasm.
