Message of Vice Chancellor On Teacher's Day

Dear colleagues,
Greetings on Teachers' Day!

Celebration of Teachers Day on 5th September every year for commemorating the birthday of the second President of India, Dr S. Radhakrishnan a renowned scholar, philosopher and distinguished teacher inculcates a sense of pride in all teachers in the country. It's a day to rejoice and feel proud of being a teacher. Every teacher needs to understand that you are part of the privileged community that is entrusted with the onerous responsibility of shaping the young and innocent minds of society for a safe and secured future formally or informally.

On this occasion, I wish to call upon all teachers associated with Veer Madho Singh Bhandari Uttarakhand Technical University to take resolve for delivering to the best of their capabilities in all interactions with the students and make teaching-learning processes much more meaningful. It is worth mentioning that the ubiquitous availability of digital learning content through the internet has empowered learners for self-learning and put forth the new challenge of bringing students to classrooms. Digital content access is gradually building a perception about the redundancy of teacher-assisted learning in classrooms and endangers the formal education process in the brick and mortar campuses. Undoubtedly, digital content-based self-learning holds great potential to supplement classroom interactions but considering it as a substitute for assisted learning in physical campuses may lead to insufficiency of knowledge base and poor understanding of subjects. Besides this, the prevailing digital divide and varying socio economic conditions restrict uniform access to digital learning with equity. This necessitates the strengthening of education processes in classrooms and increases the responsibilities of teachers to make classroom and laboratory interactions worthwhile. The importance and relevance of formal teaching in institution campuses do not need any more underlining in a country like India which boasts of the ancient education system of Gurukuls and Ashrams where teaching activities were carried out with pupils and teachers living together.

It is high time when all teachers must strategize for countering the ensuing paradigm shift in the education system through their committed and creative approach while encouraging the use of technology for supplementing the learning processes and efficacious education system. The demographic dividend available to our nation entails stronger education systems with due consideration to access and equity for fulfilling the aspirations of a large share of the youth population. At the same time, stronger education systems will be opening enormous opportunities for providing well-trained, creative, and capable youth in service to the world and help in the sustainability of civilization, strengthen the economy, and bring prosperity. While extending gratitude to all teachers, I urge every proud teacher to endeavour for outstanding delivery in classes and roll out well-educated competent human resources from educational institutions that can contribute to the knowledge economy effectively.

With Best Wishes!

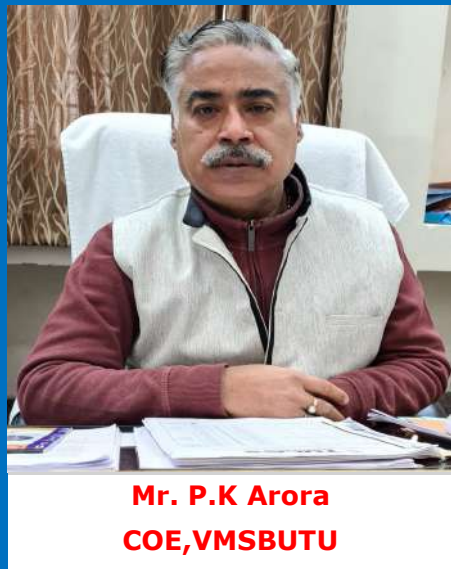

Prof. Onkar Singh

Vice Chancellor

Veer Madho Singh Bhandari Uttarakhand Technical University

CONTROLLER OF EXAMINATION MESSAGE

Mr. P.K Arora
COE,VMSBUTU

I take the opportunity to welcome you to VMSBUTU, the only affiliating University in the state for technical institutions. The University imparts education in undergraduate, post-graduate, and Ph.D. courses to promote teaching and research in all disciplines including Engineering & Technology, Basic & Applied Sciences, Management, Pharmaceutical Sciences, Law, and Education.

The prime responsibility of the Examination Cell is to conduct examinations in a systematic and transparent manner.

The Examination Cell performs the duties associated with examinations like

conducting examinations, inspecting them, transparent evaluation of examination copies, processing results, preparing transcripts, migrations, certificates, etc.

Examination Cell is determined to develop an examination system where the emphasis should be on inculcating skills rather than testing the memories of students.

I wish all the best to all the students who aspire to compete and advise them to work hard, upgrade their skills and devote reasonable time to their success.

GOOD LUCK!!

P.K. ARORA
Controller of Examination
VMSBUTU

Meetings of Academic Council, Finance Committee and Executive

Meeting of Academic Council, Finance Committee and Executive Council

Academic Council, Finance Committee and Executive Council of the University were held under chairmanship of Hon'ble Vice Chancellor Dr. Onkar Singh. The Academic Council took various decision related to admissions, counselling, new ordinance and new syllabus for the session 2022-2023. The Finance Committee took decision related to the financial matters of the University and the Executive Council discussed and approved the decisions taken by Academic Council and Finance Committee along with various other issues. The meetings were attended by the University officials namely Registrar Mr. R.P. Gupta, Finance Controller Mr. B.S. Jantwal, Controller of Examination Mr. P.K. Arora and the other Hon'ble members of respective statutory bodies.

National Teacher's Day

September 5 - 2022

On the occasion of "National Teacher's Day" on 5th September "Teacher of the Year-2022" programme was organised at Veer Madho Singh Bhandari Uttarakhand Technical University for felicitating teachers of Uttarakhand state.

In this program 60 Research Scholars, Principals, Teachers from different fields of education and 05 Vice Chancellor were honoured.

This was the fifth "Teacher of the Year" program and was organized under the joint aegis of Veer Madho Singh Bhandari Uttarakhand Technical University, Uttarakhand State Council for Science and Technology, Society for Research and Development in Science and Technology and Green Color and Divya Himigiri.

The Chief Guest Shri. Pushkar Singh Dhami addressed the program through video conferencing. The Special Guest was State's Technical Education and Forest Minister Mr. Subodh Uniyal who presented awards to the teachers who came from all over the state.

MLA Mr. Sahdev Singh Pundir and Director General of UCOST Prof. Durgesh Pant were present as special

guest in the event. The program was presided over by Dr. Onkar Singh, Hon'ble Vice Chancellor of Veer Madho Singh Bhandari Uttarakhand Technical University. This was one of the biggest and prestigious program of the state in which more than 550 teachers enrolled themselves in different categories for being considered for awards.

A high-powered screening and selection committee constituted under the chairmanship of Dr. Onkar Singh, Hon'ble Vice Chancellor of Veer Madho Singh Bhandari Uttarakhand Technical University, comprised of Director of Higher Education Department, Deputy Commissioner of Kendriya Vidyalaya Sangathan, Directors, Vice Chancellors / Chancellors of Research Institutions and other Shikshamitras screened and recommended the applicants for award. Only 55 people were selected in different categories. Screening and Selection Committee nominated five "Vice Chancellor of the Year-2022", seven "Excellence in Research of the Year-2022", Twelve "Principal of the Year-2022", & Thirty five "The Teacher of the Year-2022" awards.

"The best teachers don't give you the answer, but they spark within you the desire to find the answer yourself"

Vice Chancellor of the Year 2022

- 1) Dr. Surekha Dangwal Vice Chancellor Doon University
- 2) Dr. O.P.S Negi Vice Chancellor Uttarakhand Open University
- 3) Dr. P.P Dhyani Vice Chancellor Sri Dev Suman Uttarakhand University
- 4) Dr. Sunil Rai Vice Chancellor University of Petroleum and Energy Studies
- 5) Dr. NS Bhandari Vice Chancellor Sugan Singh Jeena University Almora

Excellence of Research in Year 2022

- 1) Kusum Deep
- 2) Dr. Rakesh Singh
- 3) Dr. Achlesh Davere
- 4) Manoj Diwakar
- 5) Rajeev Tiwari 6
- 6) Dr. Sushil K Porwah
- 7) Dr. Sunil Semwal

Principal of the Year 2022

- 1) Dr. Brijmohan Singh
- 2) Rekha Aswal
- 3) Dinkar Rautela
- 4) Professor Janki Panwar
- 5) Professor H.C Purohit
- 6) Dr. Jagdish Prasad

- 30) Nandan Chandra Arya
- 31) Rakhi Dayma
- 32) Sangeeta Sofat
- 33) Chandan Singh Ghughthyal
- 34) Monika Sharma
- 35) Kanchan Gautam

One Day Workshop on NAAC Accreditation Process

One Day workshop on NAAC was organized for all affiliated institutions of the University in the auditorium of VMSBUTU. The workshop aimed to encourage all organizations to apply for NAAC accreditation.

The one-day workshop was inaugurated by Hon'ble Vice Chancellor of VMSBUTU Dr. Onkar Singh, keynote speaker Dr. Pratibha Singh Deputy Advisor NAAC, New Delhi, and the University Registrar by lighting the lamp. Dr. Pratibha Singh conducted awareness sessions and said that the University Grant Institutes affiliated with the University and recognized by ALL India Council for Technical Education should make efforts for NAAC accreditation. NAAC accreditation helps us to explore new leading-edge methodologies in teaching. We can play an important role in giving a new and right direction to society by providing quality education.

Dr. Pratibha Singh exhorted to focus on Research Publications, Teaching-learning & Evaluations, Infrastructure, and Learning Resources, Faculty Development, proper document preparing etc. so that the institutions are prepared for the NAAC accreditation.

The University Finance Controller, Finance Officer, Directors/IQAC coordinators from various institutions and University faculty members participated in this workshop.

The workshop was conducted by Mrs. Anshika Garg.

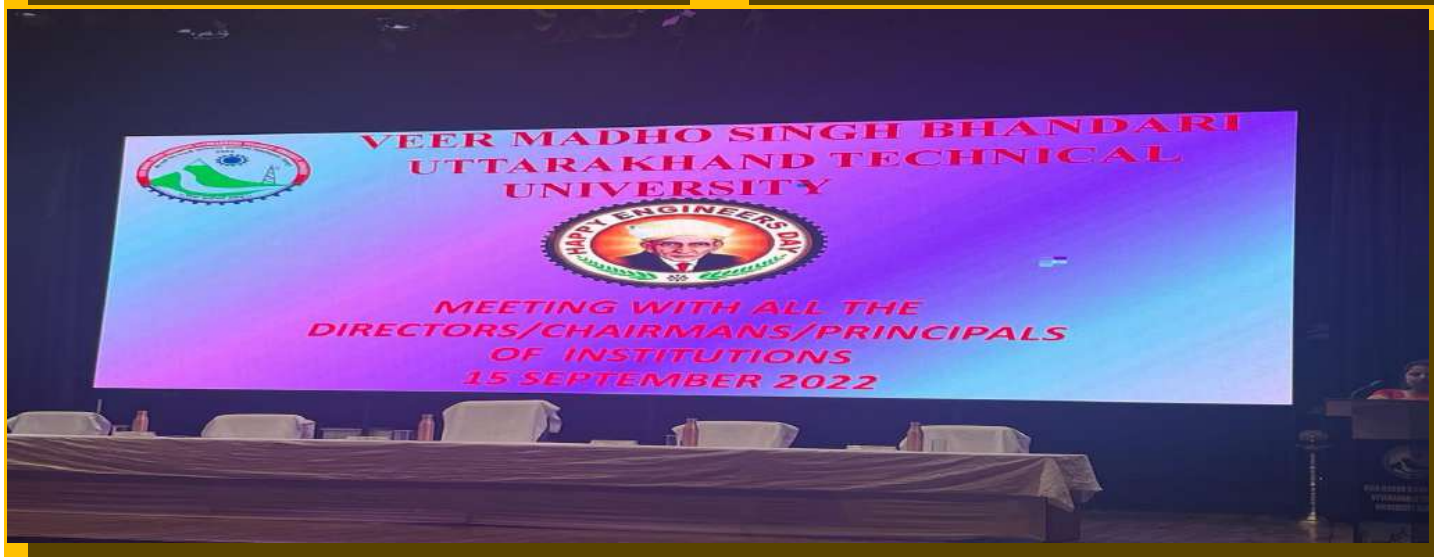

Engineer's Day 15th September 2022

The University celebrated the Engineer's Day by organising various events namely Webinar on "Electric Vehicles: The Future of Energy and Mobility", the "Online Poster Competition" on "Solutions for Sustainable Development Goals", "The Chairmans/ Directors/ Principals Meet" for affiliated colleges and a Manipuri dance programme by SPIC MACAY.

"Online
Poster
Competi-

The University organized an "Online Poster Competition" for the students of its affiliated colleges on the topic "Solutions for Sustainable Development Goals (SDG)" prescribed by United Nations. The students had to select and draw a poster on anyone SDG out of 17 which are prescribed. The "Best Poster" in each category was to be awarded and their posters will be displayed on University website. The students enthusiastically participated in the competition and presented their posters online. The jury members judged their posters on the basis of their presentation and relevance to theme. The event was organised by Mrs. Anshika Garg, Mrs. Anubhooti Papola and Dr. Rahul Bahuguna.

"Directors Meet"

The University conducted the Chairmans/Directors/ Principals Meet on 15th September 2022. The meeting was presided by Honorable Vice Chancellor Dr. Onkar Singh. The Registrar Mr. R.P. Gupta presented the agenda of the meeting through a presentation. The meeting was attended by the Chairmans, Directors and Principals of the affiliated institutes of University. They discussed on the admissions, counselling process, e-Library, training and placement, sports and cultural related activities and on examination related matters. The Controller of Examination Mr. P.K. Arora and Finance Controller Mr. B.S. Jantwal were also present in the meeting along with Chairman/Directors/ Principals/ Institute representatives

"Online Webinar on Electric vehicles-Future of Energy and Mobility"

On the occasion of Engineer day the University organized a webinar on Electric vehicles-Future of Energy and Mobility for the **students** of its affiliated colleges. Ms. Neha Jain AGM ,MG Motors India Pvt. Ltd, Gurugram and Mr. Arun Krishna Gelli consultant at Tata Consultancy Service (TCS), Chennai were the Keynote speakers. They discussed about the basics Of electric vehicles, Government policies, E - battery , current and future demand of students in industry, architecture and opportunities for engineering students and

expected skillset from industry. The event was organized by Ms. Monika Gupta.

"Cultural Program by SPIC MACAY"

The University also organised a Cultural Event on Engineer's Day after the Director's Meet. A cultural program on Indian classical Manipuri dance was performed by Mr Manju Elangbam and his troupe under SPIC MACAY. SPIC MACAY is a movement which promotes awareness about Indian classical music, dance and fine arts among you youth. Shri Manju Elangbam is a recipient of Ustad Bismillah Khan Yuva Puruskar by Sangeet Natak Academy, Government of India. The Hon'ble Vice Chancellor Dr. Onkar Singh, Registrar Mr. R.P.Gupta, Finance Controller Mr. B.S. Jantwal, Controller of Examination Mr. P.K. Arora, Dr. Vishal Ramola and Dr. Yusra Ahmad felicitated Shri Manju Elangbam and his troupe.

अपना देहरादून

छात्र ऑनलाइन देख सकेंगे कॉपियां

■ ओगप्रकाश सती

देहरादून। अब छात्र अपनी उत्तर पुस्तिकाएं खुद देख सकेंगे। अगर मूल्यांकन गलत लगा तो आपति भी दर्ज करा सकेंगे। इसके बाद ही उनका रिजल्ट जारी होगा। वीर माधो सिंह भंडारी उत्तराखंड तकनीकी विवि (यूटीयू) जल्द ही डिजिटल मूल्यांकन शुरू करने जा रहा है।

कुलपति प्रोफेसर ओंकार सिंह के अनुसार, छात्रों को अच्छी शिक्षा के साथ उनकी परीक्षाओं का मूल्यांकन सही और पारदर्शिता से होना जरूरी है। अब तक अगर किसी छात्र को कम नंबर मिलते थे तो वह अपनी कॉपियों का पुनर्मूल्यांकन करवाता था। इससे छात्र का पैसा और वक़्त भी बर्बाद होता है। दोबारा मूल्यांकन भी सौ फीसदी सही होने की गारंटी नहीं होता। इस व्यवस्था को पारदर्शी बनाने के लिए ही डिजिटल मूल्यांकन की व्यवस्था शुरू की जा रही है। यह नई व्यवस्था शुरू

—प्रोफेसर ओंकार सिंह, कुलपति-यूटीयू

यूटीयू में काफी कुछ बदलाव की जरूरत है। ऑनलाइन सहित तमाम नई तकनीकों का ज्यादा से ज्यादा इस्तेमाल करने की जरूरत है। इसके अलावा शिक्षा को रोजगारपरक और ग्लोबल बनाने की भी जरूरत है। इसी को लेकर नए प्रयास किए जा रहे हैं। ताकि यूटीयू अपनी अलग पहचान बना सके।

करने वाले यूटीयू उत्तराखंड का पहला सरकारी विवि होगा।

कुलपति के अनुसार, इसका एक बड़ा लाभ यह होगा कि छात्र ऑनलाइन अपनी कॉपियां देख सकेंगे कि उन्हें किस उत्तर में कितने नंबर मिले। अगर कहीं मूल्यांकन में दिक्कत होगी तो वो आपति दर्ज करा सकेंगे। इसे सही करने के बाद ही रिजल्ट जारी किया जाएगा। उन्होंने कहा कि इसके अलावा डिजिटल मूल्यांकन में कॉपियों के पेज छूटने या नंबर का जोड़ गलत होने की संभावना भी पूरी से खत्म हो जाएगी।

कुलपति ने कहा कि अच्छी शिक्षा के लिए यूटीयू से जुड़े सभी 93 संस्थानों की निगरानी भी जरूरी है। इसके लिए एड्रेस रिजॉल्यूशन प्रोटोकॉल (एआरपी) बनाया जा रहा है। इससे यूटीयू के साथ सभी संस्थान एक नेटवर्क में जुड़ जाएंगे। इससे इन संस्थानों में एडमिशन, उपस्थिति, परीक्षा और मूल्यांकन की निगरानी हो सकेगी। बड़ा फायदा यह होगा कि निजी संस्थान बिना जरूरी उपस्थिति के छात्रों को परीक्षा में नहीं बैठा सकेंगे, जो अभी घड़िल्ले से चल रहा है।

राष्ट्रीय मूल्यांकन एवं प्रत्यायन परिषद नैक पर कार्यशाला यूटीयू के सभागार में हुआ कार्यक्रम आयोजित

उत्तर भारत लाइव ब्ल्यू
uttarbhutarative.com

देहरादून। वीर माधो सिंह भण्डारी उत्तराखण्ड प्रौद्योगिकी विश्वविद्यालय यूटीयू के सभागार में मंगलवार को सभी सम्बद्ध संस्थानों के लिए एक दिवसीय राष्ट्रीय मूल्यांकन एवं प्रत्यायन परिषद नैक कार्यशाला का आयोजन किया गया।

कार्यशाला का उद्देश्य सभी संस्थानों की नैक एकेडिटेशन हेतु प्रोत्साहित करना था। एक दिवसीय कार्यशाला का उद्घाटन कुलपति प्रो. ओंकार सिंह, मुख्य नैन डी. प्रतिभा सिंह डिप्टी, महाकाय नैक नई दिल्ली तथा विवि के कुलसचिव आरपी गुहा ने दीप प्रज्ज्वलित कर किया। मुख्य वक्ता डॉ. प्रतिभा सिंह ने कहा कि विश्वविद्यालय अनुदान

आयोग/ऑनलाइन भारतीय तकनीकी शिक्षा परिषद से मान्यता प्राप्त संस्थानों को नैक एकेडिटेशन हेतु प्रयास करने चाहिए। नैक एकेडिटेशन से हमें अध्यापन के नये

अभ्युक्तिगत तरीकों को तत्काल में सहायता मिलती है। जिससे गुणवत्तापूर्ण शिक्षा प्रदान कर समाज को नई और सही दिशा दिये जाने में हम अपनी अलग भूमिका निभा सकते हैं। सिंह ने कहा कि हमें

रिचर्स पब्लिकेशन, इंजीनियरिंग एण्ड इलेक्ट्रिशियन, डीप्लोमा इन इलेक्ट्रिशियन, फेकल्टी डेवेलपमेंट, डॉक्टरेटेशन इत्यादि ऐसे सभी कार्य को बिना जाने पर फेरकस करना होगा जिससे कि संस्थानों को नैक/एनबीए/एकेडिटेशन के लिए लाभकारी हो। कार्यशाला में विवि के वित्त निरीक्षक, वित्त अधिकारी, विभिन्न संस्थानों के निदेशक एवं संस्थानों के आइडेंटिफिकेशन प्रतिलिपि, शिक्षकों व विवि के विभागों द्वारा प्रतिभाग किया गया। कार्यशाला का समापन डॉ. विशाल खोसा कोडिनेटर फेकल्टी आफ टेक्नोलॉजी के अध्यक्ष ज्ञान के साथ हुआ। नैक कार्यशाला कार्यक्रम का संचालन डा. अशिका गर्ग द्वारा किया गया।

किसी भी देश के विकास में शिक्षा की महत्वपूर्ण भूमिका है। इसलिए उच्चतर शिक्षा में अतिवृत्ता प्रवृत्त में बढ़ती और गुणवत्ता प्रस्तुत अकादमिक कार्यक्रमों की प्रामाणिकता एवं उत्कृष्टता दोनों की मुख्य की महता है। महाविद्यालय और विश्वविद्यालय को नैक कार्यशाला करना जरूरी है। इसको करण बिना महाविद्यालय, विश्वविद्यालय को रिसर्च ग्रांट समेत अन्य ग्रांट नहीं मिलेगी। उन्होंने साफ़ किया कि डेटा के साथ किसी भी प्रकार का वॉरेशन नहीं होना चाहिए। नैक एकेडिटेशन के अंत पूरा होने के बाद उसका सही ढंग से प्रस्तुतीकरण होना जरूरी है। प्रस्तुतीकरण का प्रयास भी बहुत मायने रखता है। उन्होंने कहा कि नैक का मैनका पहले से कठिन हो चुका है। हमारे सभी सहयोगी इस पर गंभीरता से काम कर रहे हैं। इस मौके पर ओंकार सिंह ने कार्यशाला में प्रतिभाग करने वाले सम्बद्ध संस्थानों को नैक एकेडिटेशन प्रक्रिया से संबंधित सभी मूलभूत जानकारियों तथा इस हेतु सभी को प्रयास किये जाने को प्रोत्साहित किया। साथ ही सभी संस्थानों से नैक एकेडिटेशन की तैयारी कर आगामी शैक्षणिक सत्र में एकेडिटेशन हेतु आवेदन किये जाने की अपेक्षा की गई।
